

include/duffy/NonlinearSolver.hh

```
graph TD; A[include/duffy/NonlinearSolver.hh] --> B[iostream]; A --> C[cmath]; A --> D[cassert];
```

A diagram illustrating the dependencies of the header file `include/duffy/NonlinearSolver.hh`. Three blue arrows point from the header file box to three separate boxes below it, representing the included headers: `iostream`, `cmath`, and `cassert`.
