

include/duffy/DatesimDate
Time.hh

```
graph TD; A["include/duffy/DatesimDate  
Time.hh"] --> B["ctime"]; A --> C["TemporalType.hh"]
```

The diagram illustrates a header file inclusion relationship. At the top, a gray box contains the text 'include/duffy/DatesimDate Time.hh'. Two blue arrows originate from the bottom of this box and point downwards to two separate white boxes. The left box contains the text 'ctime' and the right box contains the text 'TemporalType.hh'.
