

tests/TestSTLExceptions.cc

```
graph TD; A[tests/TestSTLExceptions.cc] --> B[iostream]; A --> C[exception]; A --> D[string];
```

A diagram illustrating the dependencies of the file `tests/TestSTLExceptions.cc`. The file name is shown in a grey box at the top. Three blue arrows point downwards from this box to three separate white boxes below it, labeled `iostream`, `exception`, and `string`, indicating that the test file depends on these standard library components.

iostream

exception

string
